Sponsor Application

We do try to allow our past vendors an option for a space but if you have been here in the past, please do not assume you will automatically be accepted and be located in the same place as years before. Spaces are sold as first come first serve, with the exception of Premier and Sponsors. When you are ready to book a space, you will be required to make payment in full. Payment can be mailed or made online. Remember No THC can be sold out of your booth. Additional Vendor passes can be purchased for \$25 each up to 4 extra passes. Additional passes can only be purchased at the time of booking only. Extra passes will be full price at the ticket office during the event. It is suggested for Sponsors to be open all three days, optional Pre-party attendance on Thursday. Harvest Fest is a rain or shine event and 21+.

Premier Sponsors- Cannabis Branding

Cannabis Brands have the option of preparing a brand sample pack(s) to be featured and sold at the onsite dispensary. Happy High Life will be making arrangements to purchase these brand sample packs. Please keep in mind a low-cost price point for patients to sample your brands best products. If you choose to brand with Happy High Life an additional informational packet will be sent to you.
